D                                                                         G
Run, run Rudolph 'cause I'm reelin' like a merry-go-round

G                         C                         G

"All I want for Christmas is a Rock and Roll 'lectric guitar"
D                                                                         G

G                         C                         G
Run, run Rudolph, Santa's gotta make it to town
C                                                                         G
Santa make him hurry, tell him he can take the freeway down

(SOLO)

G                         C                         G
Run, run Rudolph, Santa's gotta make it to town
C                                                                         G
Santa make him hurry, tell him he can take the freeway down
D                                                                         G
Run, run Rudolph, I'm reelin' like a merry-go-round
Said Santa to a girl child, "What would please you most to get?"
"A little baby doll that can cry, sleep, drink and wet"
And then away went Rudolph a whizzing like a Saber jet

Run, run Rudolph, Santa's gotta make it to town
Santa make him hurry, tell him he can take the freeway down
Run, run Rudolph 'cause I'm reelin' like a merry-go-round
