The Six-Five Special (More/Johnston) - F
The Bob Cort Skiffle Group (source of lyrics) / Don Lang & His Frantic Five

F
Over the points, over the points, over the points, over the points

F
The Six-Five Special's steamin' down the line
F7
Six-Five Special’s right on time
Bb7
Coal in the boiler burnin' up bright
F
Rollin' and a-rockin' through the night
C7                                      Bb7
And my heart's a-beatin', 'cause I'll be meetin'
F
The Six-Five Special at the station tonight

F
The Six-Five Special better not be late
F7
The Six-Five Special, platform eight
Bb7
Train starts a-brakin' hard as can be
F
Station is a-shakin' like a tree
C7                                      Bb7
And I won't be missin' that special kissin'
F
When the Six-Five Special brings my baby to me

F
  Hear— the whistle blowin' twelve to the bar
  See— the lights a-glowin' bright as a star
Bb7
    Now— the wheels a-slowin', can't be far

F
O—ver the points, over the points, over the points, over the points

F
The Six-Five Special's steamin' down the line
F7
The Six-Five Special’s right on time

Coal in the boiler burnin' up bright
